All:

Here are my edits to my quote. It is a bit on the long side, but I wanted to address the sweep of our CERCLA related work.

Subject: FOR PETER - PRIORITY: HIGH - DUE: NOON 12/10 - DRAFT QUOTE FOR SF 40 PRESS RELEASE

Importance: High

PRIORITY: 

DUE: NOON, 12/10

Peter,

OPA suggested adding a quote from you to the draft Superfund 40th press release. Below is the current Administrator quote with an additional draft AA Wright quote (in red) for your review.

If possible, please let me know by 12pm tomorrow, 12/10, if you're ok with it, or have comments.

Thanks,
Matt

Current Administrator quote:

"In honor of Superfund's 40th anniversary and EPA's 50th anniversary this month, we're taking this opportunity to look back on the events that spurred the program's creation and its evolution," **said EPA Administrator Andrew Wheeler.** "The Trump Administration has reinvigorated the Superfund program, deleting 82 sites from the National Priorities List and returning the land to surrounding communities for safe and productive reuse."

Draft Peter quote to be added below the Admin's quote above in the press release:
